RECOMMENDED ALL-SHARE OFFER

FOR

FORWARD PARTNERS GROUP PLC ("FORWARD PARTNERS" OR "FORWARD")

BY

MOLTEN VENTURES PLC ("MOLTEN")

to be effected by means of a Scheme of Arrangement under Part 26 of the Companies Act 2006

Results of Court Meeting and General Meeting

Introduction

On 27 November 2023, the boards of directors of Molten and Forward Partners announced that they had reached agreement on the terms and conditions of a recommended all-share offer pursuant to which Molten will acquire the entire issued and to be issued share capital of Forward Partners (other than Forward Shares already beneficially owned by any member of the Molten Group) (the "**Acquisition**"). The Acquisition is being implemented by means of a Court-sanctioned scheme of arrangement under Part 26 of the Companies Act (the "**Scheme**").

A circular in respect of the Scheme, including the notices convening the Court Meeting and General Meeting in respect of the Acquisition, was published by Forward on 21 December 2023 (the "**Scheme Document**"). Capitalised terms used in this Announcement shall, unless otherwise defined, have the same meanings as set out in the Scheme Document.

The Forward Board is pleased to confirm that at the Court Meeting and the General Meeting, each held earlier today in connection with the Acquisition:

- the requisite majority of Scheme Voting Shareholders present and voting (and entitled to vote) in person or by proxy, representing not less than 75 per cent. in value of the Scheme Voting Shares voted by such Scheme Voting Shareholders, voted to approve the Scheme at the Court Meeting; and
- the requisite majority of Forward Shareholders voted in favour of the Special Resolution at the General Meeting necessary to implement the Scheme, including the adoption of the proposed amendments to the Forward Articles.

Details of the resolutions passed at the Court Meeting and General Meeting are set out in the notices of the Court Meeting and the General Meeting contained in Part 9 and Part 10, respectively, of the Scheme Document. The Scheme Document is available, free of charge, subject to certain restrictions relating to persons resident in Restricted Jurisdictions on Forward's website at www.forwardpartners.com/theoffer and Molten's website at <https://investors.moltenventures.com/investor-relations/plc>.

The total number of Forward Shares in issue at the Voting Record Time was 134,613,117. There are no Forward Shares held in treasury. Consequently, the total voting rights in Forward at the Voting Record Time was 134,613,117. Scheme Voting Shareholders were entitled to one vote per Scheme Voting Share held at the Voting Record Time at the Court Meeting and Forward Shareholders were entitled to one vote per Forward Share held at the Voting Record Time at the General Meeting.

The detailed voting results in respect of the Court Meeting and the General Meeting are summarised below and this Announcement will be posted on Forward's website at www.forwardpartners.com/theoffer.

Voting Results of the Court Meeting

At the Court Meeting, a majority in number of the Scheme Voting Shareholders who voted in person or by proxy, representing 99.98 per cent. in value of the Scheme Voting Shares voted, voted in favour of the resolution to approve the Scheme. The resolution proposed at the Court Meeting was passed on a poll. Details of the votes cast are as follows:

	Number of Scheme Voting Shares voted	% of Scheme Voting Shares voted	Number of Scheme Voting Shareholders who voted*	% of Scheme Voting Shareholders who voted	Number of Scheme Voting Shares voted as a % of the issued share capital entitled to vote on the Scheme
For	121,989,847	99.98	17	100.00	91.99
Against	22,265	0.02	1	5.88	0.02
Total	122,012,112	100.00	17	105.88	92.01

* Where a Scheme Voting Shareholder cast some of their votes 'For' and some of their votes 'Against' the resolution proposed at the Court Meeting, such Scheme Voting Shareholder has been counted as having voted both 'For' and 'Against' the resolution for the purposes of determining the number of Scheme Voting Shareholders who voted as set out in this column. This also results in the percentages in the fifth column of the above table being, in total, over 100 per cent.

Voting Results of the General Meeting

At the General Meeting, the requisite majority of Forward Shareholders voted on a poll vote in favour of the Special Resolution necessary to implement the Scheme and certain related matters. Details of the votes cast are as follows:

	Number of Forward Shares voted	% of Forward Shares voted	Number of Forward Shares voted as a % of the issued ordinary share capital*
For*	123,551,523	99.98	91.78
Against	23,785	0.02	0.02
Withheld**	0	0	0
Total	123,575,308	100	91.80

* Includes discretionary votes.

** A vote withheld is not a vote in law and is not counted in the proportion of votes 'For' or 'Against' the Special Resolution.

Unless otherwise determined by Molten or required by the Takeover Code, and permitted by applicable law and regulation, the Acquisition will not be made available, in whole or in part, directly or indirectly, in, into or from a Restricted Jurisdiction where to do so would violate the laws in that jurisdiction. Additional information for US investors in Forward Partners

Forward Shareholders in the United States should note that the Acquisition relates to the securities of an English company and is proposed to be effected by means of a scheme of arrangement provided for under, and governed by, English company law. A transaction effected by means of a scheme of arrangement is not subject to the tender offer rules or the proxy solicitation rules under the US Exchange Act. Accordingly, the Acquisition is subject to the procedural and disclosure requirements and practices applicable in the United Kingdom to schemes of arrangement, which differ from the procedural and disclosure requirements of the United States tender offer and proxy solicitation rules. However, if, in the future, Molten exercises the right to implement the Acquisition by way of a Takeover Offer and determines to extend the offer into the United States, the Takeover Offer will be made in compliance with applicable United States laws and regulations, to the extent any exemptions thereunder are not applicable. Such Takeover Offer would be made by Molten and no one else.

The financial information that is included in this Announcement or included in the Scheme Document (or, if the Acquisition is implemented by way of a Takeover Offer, the Offer Document), or any other documents relating to the Acquisition, has been or will have been prepared in accordance with IFRS and thus may not be comparable to the financial information of companies in the United States or other companies whose financial statements are prepared in accordance with US generally accepted accounting principles.

The New Molten Shares to be issued under the Scheme have not been and will not be registered under the US Securities Act or under any laws or with any securities regulatory authority of any state or other jurisdiction of the United States and may only be offered or sold in the United States in reliance on an exemption from the registration requirements of the US Securities Act and applicable US state securities laws. The New Molten Shares are expected to be issued in reliance upon the exemption from the registration requirements of the US Securities Act provided by Section 3(a)(10) thereof.

For the purposes of qualifying for the exemption from the registration requirements of the US Securities Act afforded by Section 3(a)(10) thereunder, Forward Partners will advise the Court that its sanctioning of the Scheme will be relied on by Molten as an approval of the Scheme following a hearing on the fairness of the terms and conditions of the Scheme to Forward Shareholders, at which Court hearing all Forward Shareholders are entitled to attend in person or through counsel to support or oppose the sanctioning of the Scheme and with respect to which notification will be given to all such holders.

None of the securities referred to in this announcement have been approved or disapproved by the Securities Exchange Commission or any US state securities commission, nor have any such authorities passed judgment upon the fairness or the merits of the Acquisition or determined if this Announcement is accurate or complete. Any representation to the contrary is a criminal offence in the United States.

US holders of Forward Shares should also be aware that the transaction contemplated herein may have tax consequences for US federal income tax purposes and under applicable US state and local, as well as foreign and other, tax laws and that such consequences, if any, are not described herein. US holders of Forward Shares are therefore urged to consult with independent professional advisors regarding the legal, tax and financial consequences of the Acquisition applicable to them.

It may be difficult for US holders of Forward Shares to enforce their rights and any claims arising out of US federal securities laws, since each of Molten and Forward Partners is incorporated outside the United States, and some or all of their respective officers and directors may be residents of, and some or all of their respective assets may be located in, countries other than the United States. US holders of Forward Shares may have difficulty effecting service of process within the United States upon those persons or recovering against judgments of US courts, including judgments based upon the civil liability provisions of the US federal securities laws. US holders may not be able to sue a non-US company or its officers or directors in a non-US court for violations of US securities laws.

Further, it may be difficult to compel a non-US company and its affiliates to subject themselves to a US court's judgment.

In accordance with normal practice in the UK and consistent with Rule 14e-5(b) of the US Exchange Act, Molten, certain affiliated companies and their nominees or brokers (acting as agents) may from time to time make certain purchases of, or arrangements to purchase, shares in Forward Partners outside the United States, other than pursuant to the Acquisition, until the date on which the Acquisition and/or Scheme becomes Effective, lapses or is otherwise withdrawn. If such purchases or arrangements to purchase were to be made they would occur either in the open market at prevailing prices or in private transactions at negotiated prices and comply with applicable law, including the US Exchange Act. Any information about such purchases or arrangements to purchase will be disclosed as required in the United Kingdom, will be reported to a Regulatory Information Service and will be available on the London Stock Exchange website at www.londonstockexchange.com.

Further details in relation to US investors in Forward Partners are contained in the Scheme Document.

Forward-looking statements

This Announcement (including information incorporated by reference into this Announcement), oral statements made regarding the Acquisition, and other information published by Molten or Forward Partners contain statements about Molten, Forward Partners and/or the Enlarged Molten Group that are, or may be deemed to be, forward-looking statements. Forward-looking statements are prospective in nature and are not based on historical facts, but rather on current expectations and projections of Molten and Forward Partners about future events, and are therefore subject to risks and uncertainties which could cause actual results to differ materially from the future results expressed or implied by the forward-looking statements.

The forward-looking statements contained in this Announcement include statements relating to the expected effects of the Acquisition on Molten and Forward Partners, the expected timing and scope of the Acquisition and other statements other than historical facts. Often, but not always, forward-looking statements can be identified by the use of forward-looking words such as "targets", "plans", "expects", "aims", "budget", "scheduled", "continue", "estimates", "forecasts", "projects", "hopes" "intends", "anticipates" or "believes", or variations of such words or words or terms of similar substance or the negative thereof and phrases or statements that certain actions, events or results "may", "could", "should", "would", "might" or "will" be taken, occur or be achieved. Forward looking statements include statements relating to the following: (i) future capital expenditures, expenses, revenues, earnings, synergies, economic performance, indebtedness, financial condition, dividend policy, losses and future prospects; (ii) business and management strategies and the expansion and growth of Molten's or Forward Partners' or the Enlarged Molten Group's operations and potential synergies resulting from the Acquisition; (iii) macroeconomic conditions and the prevailing environment for venture capital investing; and (iv) the effects of government regulation on Molten's or Forward Partners' or the Enlarged Molten Group's business.

Although Molten and Forward Partners believe that the expectations reflected in such forward-looking statements are reasonable, neither Molten nor Forward Partners can give assurance that such expectations will prove to be correct. By their nature, forward-looking statements involve risk and uncertainty because they relate to events and depend on circumstances that will occur in the future.

There are a number of factors that could cause actual results and developments to differ materially from those expressed or implied by such forward-looking statements. These factors include, but are not limited to: the ability to complete the Acquisition; the ability to obtain requisite regulatory and shareholder approvals and the satisfaction of other Conditions on the proposed terms; changes in the global political, economic, business and competitive environments and in market and regulatory forces; changes in future exchange and interest rates; changes in tax rates; future business combinations or disposals; changes in general economic and business conditions; changes in the behaviour of other market participants; general investor sentiment; the anticipated benefits from the Acquisition not being realised as a result of changes in general economic and market conditions in the countries in which Molten and Forward Partners operate; weak, volatile or illiquid capital and/or credit markets; changes in the degree of competition in the geographic and business areas in which Molten and Forward Partners operate; and changes in laws or in supervisory expectations or requirements. Other unknown or unpredictable factors could cause actual results to differ materially from those expected, estimated or projected in the forward-looking statements. If any one or more of these risks or uncertainties materialises or if any one or more of the assumptions

proves incorrect, actual results may differ materially from those expected, estimated or projected. Such forward-looking statements should therefore be construed in the light of such factors. Statements of estimated cost savings and synergies related to future actions and circumstances, by their nature, involve risks, uncertainties and contingencies. As a result, any cost savings or synergies referred to may not be achieved, may be achieved later or sooner than estimated, or those achieved could be materially different from those estimated.

Neither Molten or Forward Partners, nor any of their respective associates or directors, officers, employees or advisers, provides any representation, assurance or guarantee that the occurrence of the events expressed or implied in any forward-looking statements in this Announcement will actually occur. Given the uncertainties and risks, readers are cautioned not to place undue reliance on such forward-looking statements, which speak only as of the date of this Announcement. All subsequent oral or written forward-looking statements attributable to Molten or Forward Partners or any of their respective members, directors, officers, employees or advisers or any persons acting on their behalf are expressly qualified in their entirety by the cautionary statement above. Molten and Forward Partners disclaim any obligation to update any forward-looking or other statements contained in this Announcement, except as required by applicable law or regulation, whether as a result of new information, future events or otherwise.

Disclosure requirements of the Takeover Code

Under Rule 8.3(a) of the Takeover Code, any person who is interested in 1 per cent. or more of any class of relevant securities of an offeree company or of any securities exchange offeror (being any offeror other than an offeror in respect of which it has been announced that its offer is, or is likely to be, solely in cash) must make an Opening Position Disclosure following the commencement of the Offer Period and, if later, following the announcement in which any securities exchange offeror is first identified. An Opening Position Disclosure must contain details of the person's interests and short positions in, and rights to subscribe for, any relevant securities of each of (i) the offeree company and (ii) any securities exchange offeror(s). An Opening Position Disclosure by a person to whom Rule 8.3(a) applies must be made by no later than 3.30 p.m. (London time) on the 10th Business Day (as defined in the Takeover Code) following the commencement of the Offer Period and, if appropriate, by no later than 3.30 p.m. (London time) on the 10th Business Day (as defined in the Takeover Code) following the announcement in which any securities exchange offeror is first identified. Relevant persons who deal in the relevant securities of the offeree company or of a securities exchange offeror prior to the deadline for making an Opening Position Disclosure must instead make a Dealing Disclosure.

Under Rule 8.3(b) of the Takeover Code, any person who is, or becomes, interested in 1 per cent. or more of any class of relevant securities of the offeree company or of any securities exchange offeror must make a Dealing Disclosure if the person deals in any relevant securities of the offeree company or of any securities exchange offeror. A Dealing Disclosure must contain details of the dealing concerned and of the person's interests and short positions in, and rights to subscribe for, any relevant securities of each of (i) the offeree company and (ii) any securities exchange offeror(s), save to the extent that these details have previously been disclosed under Rule 8. A Dealing Disclosure by a person to whom Rule 8.3(b) applies must be made by no later than 3.30 p.m. (London time) on the business day following the date of the relevant dealing.

If two or more persons act together pursuant to an agreement or understanding, whether formal or informal, to acquire or control an interest in relevant securities of an offeree company or a securities exchange offeror, they will be deemed to be a single person for the purpose of Rule 8.3.

Opening Position Disclosures must also be made by the offeree company and by any offeror and Dealing Disclosures must also be made by the offeree company, by any offeror and by any persons acting in concert with any of them (see Rules 8.1, 8.2 and 8.4 of the Takeover Code).

Details of the offeree and offeror companies in respect of whose relevant securities Opening Position Disclosures and Dealing Disclosures must be made can be found in the Disclosure Table on the Panel's website at www.thetakeoverpanel.org.uk, including details of the number of relevant securities in issue, when the Offer Period commenced and when any offeror was first identified. You should contact the Panel's Market Surveillance Unit on +44 (0) 20 7638 0129 if you are in any doubt as to whether you are required to make an Opening Position Disclosure or a Dealing Disclosure.
